GOVERNMENT OF ORISSA

**HEALTH & FAMILY WELFARE DEPARTMENT**

RESOLUTION

The 1st July 2005

SUBJECT—Fee-structure for Private Unaided Professional Colleges/Institution imparting B. Pharma Course for the academic session 2004-05, 2005-06 and 2006-07.

Consequent upon the judgement of Hon'ble Supreme Court, dated the 14th August 2003 in WP(C) No. 350/1993 (Islamic Academy of Education and another Vrs. State of Karnataka and others), Government of Orissa was pleased to constitute of Committee vide Industries Department Notification No. 7859, dated the 6th May 2004 to decide the fee-structure for Private Unaided Professional Colleges/Institution. The Committee was headed by Hon'ble Justice Shri P. K. Patra (Retired), Orissa High Court and started functioning from the 13th September 2004.

The Committee after detailed exercise in scrutinising the Books of Accounts, relevant records and proposals submitted by different Private Professional Colleges/Institution and taking into consideration all other factors such as guidelines fixed by Government, AICTE norms future expansion of the Institutions/Colleges and above all following the aforesaid directive of Hon'ble Apex Court and after due deliberation on the factors mentioned above, submitted its report to Government in Industries Department on the 31st March 2003 suggesting the following fee-structure for B. Pharma Course for the year 2004-05, 2005-06 and 2006-07 which will be binding on all Unaided Private Degree Pharmacy Colleges/Institution of Orissa :—

## B. PHARMA COURSE

- (a) Tuition Fee—Rs. 30,000 per annum
- (b) Placement Fee Rs. 1,000 from the willing students of final year instead of being collected from all students at the time of admission.

(c) Transportation Fee as per actuals from the willing students only

(d) Hostel Fee—

(i) Rs. 1,200 per month for single seated accomodation

(ii) Rs. 600 per month for shared accomodation subject to actuals whichever is less.

No other fee in any name or guide is permissible except Transportation and Hostel Fee as stated above.

As per the decision of Hon'ble Supreme Court of India, the students will be required to deposit the tuition fee in shape of Bank Draft and no employee or any other person employed by the management of the College/Institution shall be entitled to accept/take the fees in cash from the student concerned directly.

The Institution/Colleges should be impressed upon to bear in mind the dictum of Hon'ble Supreme Court that imparting education is essentially charitable in nature and their motto should be to produce quality technical personnel in different faculties for the betterment of the State.

Further, the above prescribed Tuition Fees shall also include the Insurance Fee and hence the Colleges/Institute can deposit the full amount (towards Insurance Fee) with the B. P. U. T. or B. P. U. T. can collect the entire amount from the Institute at the time of counselling.

If it is found that any Institution has collected any other fee in any name or guide, the same will be seriously viewed and Government may consider to withdraw the N. O. C. and may move AICTE for withdrawal of approval in favour of the defaulting Institution/College. Government may also impose penalty on the defaulting Institution/College as per the judgement of Hon'ble Supreme Court of India.

While considering the report of the Committee, Government have decided that for the year 2004-05, if total fees including other charges realised from the students is less than the fee decided by the Committee then the balance amount will not be recovered from the students. But, if the fees realised from students during 2004-05 is higher than the fee decided by the Committee then the excess amount will be adjusted against the fees for academic session 2005-06.

Any clarification on the above prescribed fee-structure, if so necessary, the decision of the Government in Health & Family Welfare Department is final and binding.
